Discounts to personnel can get your hospital in trouble. J. F. Horty ....Mr 60
Facts, not whims, should determine product selection. J. E. Christie and F. Ginsberg ....F 122
It's data, not processing, that count in E.D.P. J. J. Leydon ....Ja 64
"Materials management" concept can reduce costs, improve service. J. J. Leydon ....Je 70

PUBLIC RELATIONS, cont.
Purchasing agent plays key role in standards committee. J. J. Leydon ..Mr 64
Seven points to consider before you purchase monitoring equipment. J. J. Leydon ....Ap 64
To lease or not to lease: that may be your question. J. J. Leydon ....F 70

Radiation hazards; Ralph Nader attacks radiology practices ....Je 26
RADIOLOGY DEPT.
Eleven reasons why radiology should be decentralized. J. D. Munn ....Mr 108
New technics increase demand for x-rays — and x-ray space. A. J. J. Rourke .Mr 116
RAPPOPORT, ARTHUR E. and others. Computer-laboratory link is base of hospital information system ....Ap 94
Rates: Two Phoenix hospitals plan to create differential daily charges ....F 34
Recovery rooms; Most large hospitals now have special care units, survey finds My 32
Remodeling and renovation. See Planning
RICH, RICHARD C. How to solve hospital parking problem with deck ....My 124
RICHARDSON, WILLIAM C. and NEUHAUSER, DUNCAN. First question in health planning: Does public know what it wants, or not? ....My 115
RICKER, MORRISON S. Survey: More disposables for staff meals ....Je 104
RIEDEL, DONALD C. jt auth See BAILEY, DAVID R.
ROURKE, ANTHONY J. J. New technics increase demand for x-rays — and x-ray space ....Mr 116
Only by reducing personnel can hospitals really cut costs ....F 112
Physicians find new hospital helper — computer ....Ap 122
Special units, longer hours have improved night care ....Ja 106
Staff and board need current data as base for future plan ....Je 126
These planning principles could lead to better care ....My 136
RUBENSTEIN, A. DANIEL and MORSE, LEONARD J. Study reveals hand lotions may be source of gram-negative bacteria ....Ap 119

Safety; Medication errors may cost public $100 million a year, new study finds Ap 31
SAGE, FREDERICK C. If hospitals are inefficient, who is really efficient? (RO) F 58
SANDO, F. A. Asepsis, not comfort, is goal of hospital air conditioning ....Mr 139
SARGENT, ALBERT R. To provide "total care," they placed intensive care unit within new emergency suite ....Mr 104
SCHWARTZ, LYNNAE jt auth See KING, LAMBERT
SCHWARTZ, MICHAEL R. jt auth See WESBURY, STUART A. JR.
SECURITY MEASURES
Hospital security plan should coordinate with city plan. R. M. Jupiter ....Je 72
It is hard day's night of security force that creates safe setting for patient care. R. L. Colling ....Ja 69
SECURITY MEASURES, cont.
Providence hospital has own uniformed police ....My 204
Report from Detroit General: What it's like inside riot. E. P. Henry ....Ap 84
Selective menu. See Dietary dept.
SHARED SERVICES
Clarification on taxation of joint enterprises. K. Williamson (RO) ....Mr 50
Cooperative laundry stresses efficiency and cleanliness ....Je 117
Two Pennsylvania hospitals studying shared medical facilities proposal ....F 38
Signs and signposting; "Dear Crossing" Mr 46
SMALL COMMUNITY HOSPITALS
Night is special concern for small hospital — At Berwick: Problems you solve may be your own. A. J. Monaco ....Ja 97
Night is special concern for small hospital — At Naperville: Telephone rings always. E. D. Morris ....Ja 96
SNYDER, ROBERT A. jt auth See ABRAMS, HERBERT K.
SOUDER, JAMES. Computers can bring new rationality into hospital design Mr 80
State associations; M.H.A. gets $750,000 legal bill ....Mr 30
Statistics; Death rate and level of education are related, study shows ....Je 176
STEFFY, DAVID L. and others. Emergency room data system speeds collections ....Ap 68
Strikes. See Personnel administration; Unions and collective bargaining
Supplies. See individual departments and types of hospitals
SURGERY DEPT.
Antidote for O.R. chaos is standards committee. F. Ginsberg ....F 110
Costly as it is, night surgery must equal day performance. F. Ginsberg ....Ja 108
Good O.R. manual includes objectives, policies, procedures. F. Ginsberg ...Mr 118
If you have right system, these 14 steps will make any O.R. safe. F. Ginsberg Je 130
O.R. manual must cover these nine areas. F. Ginsberg ....Ap 124
Shoes and wheels are villains that contaminate O.R., and barriers can be "arresting" forces. G. M. Moiseyev Mr 106

TACEY, ROBERT R. Do your words mean what you think? ....My 82
TAPE AND PHONOGRAPH RECORDINGS
CCTV and tape recorders help extend dietitian's "reach". J. Hartman ....Ap 139
Tape recorders help break admissions jam ....Mr 172
TAXATION OF HOSPITALS
Clarification on taxation of joint enterprises. (RO) ....Mr 50
Florida hospital wins property tax exemption ....My 44
TELEVISION
CCTV and tape recorders help extend dietitian's "reach". J. Hartman ....Ap 139
CCTV takes patients into kitchen ....Je 108
Videotape aids psychiatric therapy ....Mr 172
TRENDS
Future hospitals will go where people are. G. J. Mann ....Je 84
TRENDS, cont.
How technology may shape future hospitals. B. Koval ....Mr 90
"Lab of future" uses time-shared computer to control instruments ....Ap 36

Uniforms; Administrator asks expert: Are uniforms disease-carriers? F. Ginsberg (RO) ....Ja 44
UNIONS AND COLLECTIVE BARGAINING
Collective bargaining decision overruled Ap 46
Hospital reopens as nurses return: Kentucky ....Ap 44
Hospital seeking strike injunction: Chicago ....F 36
Hospitals join forces to bargain with union ....Ap 42
L.A. nurses vote not to resign — yet ..My 34
No bargaining agent for L.P.N.s at M.G.H. ....F 38
Rehire some Ohio strikers ....Ap 38
Unions, hospitals should bargain, says C.H.A. ....F 48
Union wins bargaining rights at St. Luke's, Cleveland; ends strike ....Ap 29
Union wins election at New Jersey hospital ....My 31

VAN DYKE, FRANK jt auth See ELLIOTT, ROBIN A.

Careers in the hospital: Today's nurse has five career choices. E. C. Lambertsen .O 124
Catholic hospital: Merge three St. Louis health facilities .....N 26

CENTRAL SERVICE DEPT.
Are you building morale to build productivity? .....D 102
C. S. department needs skilled supervisor. J. E. Christie .....Ag 94
Plan for future to control C. S. costs. J. E. Christie and F. Ginsberg .....S 138
Supervisor should have final say in selection of aides .....N 120
Use these guides in selecting C.S. aides. J. E. Christie and F. Ginsberg .....O 120
Who should run C.S.? (RO). S. Thalberg .....O 50
Why nurses should run central service. J. E. Christie and F. Ginsberg .....Jl 120
CHRISTIE, JEAN E. and GINSBERG, FRANCES. Are you building morale to build productivity? .....D 102
C.S. department needs skilled supervisor .....Ag 94
Plan for future to control C.S. costs ..S 138
Supervisor should have final say in selection of aides .....N 120
Use these guides in selecting C.S. aides O 120
Why nurses should run central service ..Jl 120
Civil defense: Portable 50 bed hospital used in Vietnam .....S 32
CIVIL RIGHTS
Investigation clears Chicago hospital Ag 42
Program teaches lab work to minorities D 29
COMMUNICABLE DISEASE HOSPITALS AND DEPTS.
Computer aids epidemiology work .....S 26
Isolation cubicle technic extends bed use. C. G. Pierson .....Jl 108
COMMUNICATION SYSTEMS
Emergency phone system can be used every day (RO). D. V. Shaw .....Ag 48
Lights! Camera! Diagnosis! .....Ag 21
Walkie-talkie .....Jl 54
COMMUNITY AND THE HOSPITAL
Cost problem ties hospitals and nursing homes together, planner says .....D 32
Economic impact of Newark medical center indicated by new survey .....N 38
CONNORTON, JOHN V. Signing is vital (RO) .....S 58
CONSTRUCTION
Contractors' bids soar far above estimates. Why? John T. Foster .....N 84
Investigate high cost of N.Y. nursing home .....S 206
Will hospital bed cost $100,000? Richard A. Derr .....N 87
CONTRACT SERVICE
Contractor installs microwave program and complaints drop .....S 130
How can contract maintenance help? ..D 66
Service bureau does payroll for hospital .S 43
Conveyors: Pneumatic conveyor reduces linen hazards .....Ag 104
Cost of medical care: Public wants to know you share its concern about costs D 52
COSTS
Contractors' bids soar far above estimates. Why? John T. Foster .....N 84
Monthly profit-loss reports guide pricing practice. T. I. Hage .....O 68
Will a hospital bed cost $100,000? Richard A. Derr .....N 87
County hospitals: Cook County Hospital administrator resigns, but little else changes .....D 31
CRADDOCK, JOHN jt auth See SPERRY, HOWARD E.

DAVIS, GORDON. As public relations changes, so should practitioners ....O 54
Communications expense saves personnel costs .....S 68
Participation in management will improve public relations .....Ag 52
Public wants to know you share its concern about costs .....D 52
Speaking out can be dangerous but it may be necessary .....N 56
Today's public wants specifics, not propaganda .....Jl 22

DAVIS, KATHERINE G. Give nurses the chance to explore these twelve routes to better care .....O 82
DAVIS, ROBERT W. Automated waste disposal systems are coming .....Jl 138
DERR, RICHARD A. Will a hospital bed cost $100,000? .....N 87
DIETARY DEPT.
Central ingredient room improves food production. J. Hartman .....Ag 100
Contractor installs microwave program and complaints drop .....S 150
Dial-a-meal system developed in Sweden S 43
For the patient who has everything. D. A. Musgrave .....Ag 80
New computerized menu planning service cuts food costs at Kansas City center .....N 126
New time and labor saving equipment featured in Chicago convention. J. Hartman .....Jl 132
New York State hospital system embarks on statewide shared services plan. W. E. Byron and others .....Jl 91
Study indicates professional caliber of Colorado dietitians .....O 32
DISASTER SERVICE
Chicago hospitals set emergency communication steps .....N 44
Fire destroys part of new hospital addition .....D 44
What to do when you get a bomb threat .....D 89
Disposable goods: Nonwovens are latest wave in the disposables sea .....O 136
DRUGS
Patient drug safety requires P & T attention to these guidelines .....N 104
Ten traps in drug systems cause most medication errors. Fred M. Eckel ..N 105
